

# Lighthouse Family, Lifted

I'd really love to be alone without all the  
Ache and pain and the April showers  
But it ain't long before I long for you, like a  
Ray of hope, coming through the blue moon

When it all gets dark again  
The whole thing falls apart I guess  
It doesn't really matter 'bout the rain  
'cause we'll get through it anyway  
We'll get up and start again

'cause we could be Lifted, Lifted, Lifted  
We could be Lifted  
From the shadows, lifted  
Oh we could be, lifted up today  
Lifted all the way, you and I forever  
Baby, lifted, lifted, lifted, hey

It's undisturbable the peace we found  
In a bright new space up above the clouds  
Everything is understandable  
You don't have to say anything too loud

When all our luck runs out again  
We're brought back down to solid ground  
I wouldn't say I'm mad about the rain  
But we'll get through it anyway  
We'll get back to the start again

'cause we could be lifted, lifted, lifted  
We could be lifted  
From the shadows, lifted  
Oh we could be, lifted up today  
Lifted all the way, you and I forever  
Baby, lifted, we could be lifted, we could be lifted, hey

We could be lifted, we could be lifted, we could be lifted  
You and I forever  
We could be lifted, we could be lifted, yeah we could be lifted  
We could be lifted up to new horizons

Lifted, lifted up today, lifted all the way, yeah we could be lifted  
We could be lifted, from the shadows, we could be lifted  
Lifted upto new horizons  
When it all gets dark again, it doesn't really matter 'bout the rain  
When it all gets dark again, it doesn't really matter 'bout the rain
