

# Lil' Kim, Ex-Girlfriend

(Lil' Cease)

Ex-girlfriend how you been  
Need the keys back to my bends  
Like Deborah Cox if we in love then we can't be friends  
Mariah, never duplicated, always imitated, gave you bad dreams  
During any sex you can't help but yell cease!  
Please, didn't I take you to benzes  
I'll break your heart, my sexual fantasy's a work of art  
Chill wit' Mariah, Kim and we on fire  
But we won't stop and we can't stop

(Mariah Carey)

Here we go again, I don't think you are just friends  
Stay away from her and then you'll see  
You don't need she, your love is all for me

All you ever did was lie to me  
The day you said bye to me

Queen Bitch, he can't live without this  
Who's the one with the biggest tits  
And best thrown fists
