

Lil Nas X, Call Me by Your Name

I caught it bad just today
You hit me with a call to your place
Ain't been out in a while anyway
Was hopin' i could catch you throiin' smiles in my face

Romantic takin', ou don't even have to try
You're cute enough to fuck with tonight
Looking at the table, all i see is weed and wine
Baby, you livin' the life with me or you ain't livin' right

Cocaine and drinkin' with your frineds
You live in the dark, boy
I cannot pretend
I am not phased, only here to sin
If Eve ain't in your garden
You know that you can

Call me when you want
Call me when you need
Call me when you want
Call me when you need

Call me out by your name
I'll be on the way like

Call me by your name
You know that you can
That's right
Call me by your name

i wanna sell what you're buyon'
i wanna feel on your ass in Hawaii
i want the jet lag from fucking and flying
shoot a child in your moith while i am riding

a sign of the Times, every time that i speak
a dime and a nine, it was mine every week
what a time
an incline god was shinin' on me

now i can;t leave
and now i am acing hella elite
never want niggas that's in my league
i want to fuck the ones i envy, i envy

Cocaine and drinkin' with your frineds
You live in the dark, boy
I cannot pretend
I am not phased, only here to sin
If Eve ain't in your garden
You know that you can

Call me when you want
Call me when you need
Call me when you want
Call me when you need

Call me out by your name
I'll be on the way like

Call me by your name
You know that you can
That's right

Call me by your name
