

Lil Peep, live forever

Every time I hit the dope I have a new dream
Havin visions of everybody who knew me
See my face on the mf big screen
Live forever bitch Im smokin on that hd

Knock knock bitch I'm kickin in the front doe
Live forever get them muthafuckin blunts rolled
Now I pull up and I get it how I want hoe
Now I pull up not on purpose and I stunt hoe
I got problems with yo muthafuckin God,
I been workin like I never had a job

Every time I hit the dope I have a new dream
Havin visions of everybody who knew me
See my face on the mf big screen
Live forever bitch Im smokin on that hd

Knock knock bitch I'm kickin in the front doe
Live forever get them muthafuckin blunts rolled
Now I pull up and I get it how I want hoe
Now I pull up not on purpose and I stunt hoe
I got problems with yo muthafuckin God,
I been workin like I never had a job

Every time I hit the dope I have a new dream
Havin visions of everybody who knew me
See my face on the mf big screen
Live forever bitch Im smokin on that hd

Knock knock bitch I'm kickin in the front doe
Live forever get them muthafuckin blunts rolled
Now I pull up and I get it how I want hoe
Now I pull up not on purpose and I stunt hoe
I got problems with yo muthafuckin God,
I been workin like I never had a job

Every time I hit the dope I have a new dream
Havin visions of everybody who knew me
See my face on the mf big screen
Live forever bitch Im smokin on that hd
