Lil Rob, Barely Getting By

Chorus
I'm barely gettin by
Still work-a nine to five
I'm barely gettin by
That's why I'm stayin high
Oh baby, aw

Jump into the ride, cruise the big S.D. Home of Rosie and The Originals and P.O.D And it won't be long till you hear from me Hopefully I'm not lying that's what they told me Make the town proud Make the brown proud Ever since Brown Crowd Lil Rob gots his sound down And I'm still down Some things just don't change Like crusin on Sundays Sleepin on Mondays Drive thirty on highways Drinkin on my driveway My four nine aye still pays fourty five guey That's how I do it I thought you knew it If you didn't now you do Smoke this, this bud's for you

Chorus

Open up my eyes I look hypnotized I feel hypnotized I apologize This is recognized As bein really high All day everyday this is my way of getting by Makes me think in A way that's unique Makes me feel different about the streets that I creed Makes you feel good about em What would I be without em Couldn't be without em Wouldn't be me without em Lil Rob fuckin clowns em Twenty six years in the same town I remember how we used to be it's not the same now It's still something that I'll drink a beer to Viva La Colonia Southern California

Chorus

Wait a minute check this out

I'm very very high I'm very very high It's time to say goodbye

Keep it on the low
Time to let you know
I don't wanna go
But I gotta go
Till the next time around
Catch you on the rebound
Until then go and bump my jam round your town

Chorus(x2)
