

# Lil Uzi Vert, Sanguine Paradise

we be throwin' money in a spiral  
every time your girl hear my song  
turn her right into my hoe  
she shake her ass  
do the eye roll  
got a skinny thong like a tightrope

I be blowin' up like some pyro  
count one –fifty, call it kyro  
if she left whit me  
she the right hoe  
man, she ridin' me like a BMX  
man she said the D is for dyno  
I got 2 horn like a rhino

it's no way tou can buy hoe  
but I bought a mansion with the sly dough  
yes, I opened up the slide doors  
so you can hear me hit the nigh note

I like the way you  
you do it!  
you do it!  
you do it!  
you do it!  
you do it!  
you do it!

money keep coming in  
I can't lose  
money keep coming in  
I can't lose  
foreign girls and they tens  
I can't choose  
foreign car , got v10  
I can't cruise

I got different color on my diamonds  
I can't even see the time  
I don't wanna see her face  
I'ma go and get behind

drop the top on the wright  
I'ma make him lose his mind  
I just made 100k  
it was quicker than a vine

I as swinging on my vine  
tryna put me down  
but I climb  
I'ma get it  
keep tryin'  
there's no reason for the cryin'

side note  
you will never reach my goals
