

Lil Uzi Vert, That Way

I want it that way
I want it that way
I want it that way
I want it that way
I want it that way
I want it that way

I won't go out bad
I won't go out sad
I won't go out that way
I am whit the winnin' team they make sure
I am not in last place
if I wake up
don't make no money that's a sad day
25 hundred on my shirt
what the tag say?

I want it that way
I want it that way
I want it that way
I want it that way

she from Atlanta
she want the cascade
sshe ride the D like she's tryna drag race
don't slow her right down
I like it fast-paced
