

Lil Uzi Vert, XO TOUR Llif3

[Intro]

Are you alright?

I'm alright, I'm quite alright

And my money's right

8... (yeah)

Countin' them bands all way to the top, 'til they be fallin' over

Countin' them bands, on the way to the top, 'til it's fallin' over

[Chorus]

I don't really care if you cry

On the real you should've never lied

Should've saw the way she looked me in my eyes

She said, "Baby, I am not afraid to die"

Push me to the edge

All my friends are dead

Push me to the edge

All my friends are dead

Push me to the edge

All my friends are dead

Push me to the edge

[Verse 1]

Phantom that's all red, inside all white

Like somethin' you ride a sled down, I just want that head

My Brittany got mad, I'm barely her man now

Everybody got the same swag now, watch the way that I tear it down

Stackin' my bands all the way to the top, all the way 'til my bands fallin' over

Every time that you leave your spot, your girlfriend call me like, "Come on over"

I like the way that she treat me, gon' leave you, won't leave me, I call it that Casanova

She say I'm insane, yeah, I might blow my brain, yeah!

Xanny help the pain, yeah

Please, Xanny make it go away

I'm committed, not addicted, but it keep control of me

All the pain, now I can't feel it, I swear that it's slowin' me, yeah

[Chorus]

I don't really care if you cry

On the real, you should've never lied

Saw the way she looked me in my eyes

She said "I am not afraid to die"

All my friends are dead

Push me to the edge

All my friends are dead, yeah

Push me to the edge

All my friends are dead, yeah

All my friends are dead, yeah

[Verse 2]

That is not your swag, I swear you fakin'

Now these niggas wanna take my cadence

Rain on 'em, thunderstorm, rain on 'em

Medicine, lil' nigga take some

Fast car, Nascar, race on 'em

In the club, ain't got no ones, then we would become

Clothes from overseas, got the racks and they all C-Notes

You is not a G, though

Lookin' at you stackin' all your money, it all green though

I was countin' that and these all twenties, that's a G-roll

[Bridge]

She say, "You're the worst; you're the worst"

I cannot die, because this my universe

[Chorus]

I don't really care if you cry
On the real, you should've never lied
Should've saw the way she looked me in my eyes
She said, "Baby, I am not afraid to die"
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
All my friends are dead
Push me to the edge
