

# Lil Xan & Charli XCX, Moonlight

under the moonlight  
she said she felt the mood right  
and said: is everything right?  
we drunk up off th moonsine  
we look up at the stars lights  
she look just like the star shine  
I gave that bitch my sunshine  
it's peaking through the highrise  
it's peaking through the

but it don't mean shit  
if you ain't happy  
happiness is all that matters  
this I hope you know  
and fuck it  
let's just see what happens  
take a risk  
let's take a trip  
swerving off the bourbon  
hope we don't hit the dip

on my Post Malobe shit  
now I got my own bitch  
money that I spent so now you know I fucking own shit  
yes, I'm on my own  
fellin alone drink patron  
got them evil bitches all up in my motherfuc\* zone

and why you never answer phones  
and I'm cillin' home alone  
back in high school  
she didn't want me  
now that shit changed  
no her family show me praise  
that shit seem like super strange

under the moonlight  
she said she felt the mood right  
and said: is everything right?  
we drunk up off th moonsine  
we look up at the stars lights  
she look just like the star shine  
I gave that bitch my sunshine  
it's peaking through the highrise  
it's peaking through the

but it don't mean shit  
if you ain't happy  
happiness is all that matters  
this I hope you know  
and fuck it  
let's just see what happens  
take a risk  
let's take a trip  
swerving off the bourbon  
hope we don't hit the dip

white Mercedes, whip it 150  
hope I do not crash  
fuck that bitch and hit the dash /2x  
I be on my sperhero, baby  
let's just fly away  
go away  
if you broke my heart

I hope you go away

white Mercedes, whip it watch me strippin  
bust off on the clothes  
do it good, I'm on the dash  
put you right up on the dash  
I be on my Al Pacino level  
high as fuc\* today  
Robbery  
if you break my heart you better run away

she said she felt the mood right  
and said: is everything right?  
we drunk up off th moonsine  
we look up at the stars lights  
she look just like the star shine
