Lilly Wood & The Prick and Robin Schulz, Prayer

Ya, you never said a word you didn't send me no letter don't think i could forgive you

see, our world is slowly dying i'm not wasting no more time don't think i could believe you

ya, you never said a word you didn't send me no letter don't think i could forgive you

see, our world is slowly dying i'm not wasting no more time don't think i could believe you

ya, our hands will get more wrinkled and our hair, it will be grey don't think i could forgive you

and see the children are starving and their houses were destroyed don't think they could forgive you

hey, when seas will cover lands and when men will be no more don't think you can forgive you

yeah, when there'll just be silence and when life will be over don't think you will forgive you

ya, you never said a word you didn't send me no letter don't think i could forgive you

see, our world is slowly dying i'm not wasting no more time don't think i could believe you

ya, you never said a word you didn't send me no letter don't think i could forgive you
