Lily Allen, Air Balloon

Somebody remind me where I am Miami or Timbuktu?
Did I ever tell you my uncle's monkey ran away from the zoo?
Would you tell me what this all means what happens if I go through that door?
Cause I'm looking up at the ceiling, but it's turning into the floor

When I'm bored, I kinda drift away, I'm not sure, quite why we work all day I've been thinking and I've got this plan: Let's go, right now

Come meet me in the sky I'll be waiting for you And we can't hear what they say Up in my air balloon, air balloon, air balloon Sing, sing along, along any song you want to Now we're so high, it can't rain Up in my air balloon, air balloon, air balloon

I don't like dropping names but Kurt Cobain is all in my face How the hell am I gonna tell him Elvis already took first base? In and out of the blue this cruise is losing altitude, all we need Is a little more elevation, take me back to where I can breathe.

When I'm bored, I kinda drift away, I'm not sure, quite why we work all day I've been thinking and I've got this plan: Let's go, right now

Come meet me in the sky I'll be waiting for you And we can't hear what they say Up in my air balloon, air balloon, air balloon Sing, sing along, along any song you want to Now we're so high, it can't rain Up in my air balloon, air balloon, air balloon

Shake it, sh- shake it now Gimme, gimme some Sailing sa-sailing through the clouds Trippin', trip, trip it now /2x

Come meet me in the sky I'll be waiting for you And we can't hear what they say Up in my air balloon, air balloon, air balloon Sing, sing along along any song you want to Now we're so high it can't rain Up in my air balloon, air balloon, air balloon

Come meet me in this...
