Lily Allen, Friend Of Mine

I don't want us to have a fight But in the background I can hear you chatting shite I hear it every night And you think you're being really cool And you've been doing it since we were both at school Now who looks like a fool?

You're no friend of mine, girl And I've known it for a while, girl You're just a waste of time, girl Why don't you have another line, girl?

Tell me, what did you expect? Have you got no self-respect? Reputation to protect? Soon you'll be a nervous wreck

Tell me, what did you expect? Have you got no self-respect? Reputation to protect? Soon you'll be a nervous wreck

What happened to the good old days? I was kinda hoping this was all a stupid phase Who are you anyway? I know you've heard this all before I know some people who are calling you a whore Don't know you any more
