

# Lily Allen, Hard Out Here

I suppose I should tell you  
What this bitch is thinking  
You find me in the studio  
And not in the kitchen  
I won't be bragging 'bout my cars  
Or talking 'bout my chains  
Don't need to shake my ass for you  
'Cause I've got a brain  
If I told you about my sex life  
You'd call me a slut  
Them boys be talking 'bout their bitches  
No one's making a fuss  
There's a glass ceiling to break, uh huh  
There's money to make  
And now it's time to speed it up  
'Cause I can't move at this pace

Sometimes it's hard to find the words to say  
I'll go ahead and say them anyway  
Forget your balls, and grow a pair of tits  
It's hard, it's hard  
It's hard out here for a bitch, It's hard  
(For a bitch, for a bitch)  
For a bitch, It's hard  
It's hard out here for a bitch, It's hard  
(For a bitch, for a bitch)  
For a bitch, it's hard  
It's hard out here

If you're not a size six  
Then you're not good-looking  
Well, you better be rich  
Or be real good at cooking  
You should probably lose some weight  
'Cause we can't see your bones  
You should probably fix your face  
Or you'll end up on your own  
Don't you want to have somebody who objectifies you?  
Have you thought about your butt, who's gonna tear it in two?  
We've never had it so good, uh huh  
We're out of the woods  
And if you can't detect the sarcasm  
You've misunderstood

Sometimes it's hard to find the words to say  
I'll go ahead and say them anyway  
Forget your balls, and grow a pair of tits  
It's hard, it's hard  
It's hard out here for a bitch, It's hard  
(For a bitch, for a bitch)  
For a bitch, It's hard  
It's hard out here for a bitch, It's hard  
(For a bitch, for a bitch)  
For a bitch, it's hard  
It's hard out here

A bitch, a bitch, a bitch  
Bitch, bitch  
A bitch, a bitch, a bitch  
Bitch, bitch  
A bitch, a bitch, a bitch  
Bitch, bitch  
A bitch, a bitch, a bitch  
Bitch, bitch

Inequality promises  
That it's here to stay  
Always trust the injustice  
'Cause it's not going away  
Inequality promises  
That it's here to stay  
Always trust the injustice  
'Cause it's not going away

[Hook] Sometimes it's hard to find the words to say  
I'll go ahead and say them anyway  
Forget your balls, and grow a pair of tits  
It's hard, it's hard  
It's hard out here for a bitch, It's hard  
(For a bitch, for a bitch)  
For a bitch, It's hard  
It's hard out here for a bitch, It's hard  
(For a bitch, for a bitch)  
For a bitch, it's hard  
It's hard out here
