Lily Allen, I Don't Know

I want to be rich and I want lots of money
I don't care about clever I don't care about funny
I want loads of clothes and f**kloads of diamonds
I heard people die while they are trying to find them
I'll take my clothes off and it will be shameless
'Cause everyone knows that's how you get famous
I'll look at the sun and I'll look in the mirror
I'm on the right track yeah I'm on to a winner
I don't know what's right and what's real anymore
I don't know how I'm meant to feel anymore
When we think it will all become clear
'Cause I'm being taken over by fear
Life's about film stars and less about mothers
It's all about fast cars and passing each other
But it doesn't matter cause I'm packing plastic
and that's what makes my life so f**king fantastic
And I am a weapon of massive consumption
and its not my fault it's how I'm program to function
I'll look at the sun and I'll look in the mirror
I'm on the right track yeah I'm on to a winner
I don't know what's right and what's real anymore
I don't know how I'm meant to feel anymore
When we think it will all become clear
'Cause I'm being taken over by fear
Forget about guns and forget ammunition
Cause I'm killing them all on my own little mission
Now I'm not a saint but I'm not a sinner
Now everything is cool as long as I'm getting thinner
I don't know what's right and what's real anymore
I don't know how I'm meant to feel anymore
When we think it will all become clear
'Cause I'm being taken over by fear
