

Lily Allen, It's not fair

oh he treats me with respect he says he loves me all the time
he calls me fifteen times a day he likes to make sure that I'm fine
you know I've never met a man whose made me feel quite so secure
hes not like all them other boys they're all so dumb and immature
there's just one thing that's getting in the way
when we go up to bed you're just not good it's such a shame
I look into your eyes I want to get to know you
and then you make this noise and its apparent it's all over
it's not fair and I think your really mean
I think your really mean
yes I think your really mean
oh your supposed to care but you never make me scream
you never make me scream
oh it's not fair and it's really not ok
it's really not ok
it's really not ok
oh your supposed to care but all you do is take
all you do is take
well I lie here in the wet patch in the middle of the bed
I'm feeling pretty damn hard done by, I spent ages giving head
then I remember all the nice things that you've ever said to me
maybe I'm just overreacting, maybe your the one for me
there's just one thing that's getting in the way
when we go up to bed you're just not good it's such a shame
I look into your eyes I want to get to know you
and then you make this noise and its apparent it's all over
it's not fair and I think your really mean
I think your really mean
yes I think your really mean
oh your supposed to care but you never make me scream
you never make me scream
oh it's not fair and it's really not ok
it's really not ok
it's really not ok
oh your supposed to care but all you do is take
all you do is take
there's just one thing that's getting in the way
when we go up to bed you're just not good it's such a shame
I look into your eyes I want to get to know you
and then you make this noise and its apparent it's all over
it's not fair and I think your really mean
I think your really mean
yes I think your really mean
oh your supposed to care but you never make me scream
you never make me scream
oh it's not fair and it's really not ok
it's really not ok
it's really not ok
oh your supposed to care but all you do is take
all you do is take
