

# Lily Allen, The Fear

I wanna be rich, and I want lots of money  
I don't care about clever, I don't care about funny  
I want loads of clothes and fuck loads of diamonds  
I heard people die while trying to find them  
And I'll take my clothes off, and it will be shameless  
'Cause everyone knows that's how you get famous  
I'll look at the sun, and look in the mirror  
I'm on the right track, yeah I'm on to a winner

I don't know what's right and what's real anymore  
And I don't know how I'm meant to feel anymore  
And when do you think it will all become clear?  
'Cause I'm being taken over by the fear

Life's about film stars and less about mothers  
It's all about fast cars and cussing each other  
But it doesn't matter 'cause I'm packing plastic  
And that's what makes my life so fucking fantastic  
And I am a weapon of massive consumption  
And it's not my fault, it's how I'm programed to function  
I look at the sun, and I look in the mirror  
I'm on the right track, yeah we're on to a winner

I don't know what's right and what's real anymore  
And I don't know how I'm meant to feel anymore  
And when do you think it will all become clear?  
'Cause I'm being taken over by the fear

Forget about guns, and forget ammunition  
'Cause I'm killing them all on my own little mission  
Now I'm not a saint, but I'm not a sinner  
And everything's cool as long as I'm getting thinner

I don't know what's right and what's real anymore  
And I don't know how I'm meant to feel anymore  
And when do you think it will all become clear?  
'Cause I'm being taken over by the fear
