

Lily Frost, Sweet!

Call me,
beep me,
love me more!

You saved my butt today
and for that i want to thank you.
And for that you are so sweet
Sweeter then sugar, baby.

Honey, honey
you're no match for my guy!
My guy is sweeter then you....
my guy is sweeter then you!

You can put my smile back on my face,
you can put my doubts in the right place,
in the back of my mind...

My guy who is...
Sweeter then sugar,
sweeter then honey,
sweeter then candy,
oh boy I love you so!

Have you heard on the radio?
My song is singing about you.
Have you seen on the patio,
I'm there thinking about you.

I'm always thinking about...

My guy who is...
Sweeter then sugar,
sweeter then honey,
sweeter then candy,
oh boy I love you so!

I'll love you till the end of time,
I'll love you and you'll always be mine!
And on my mind!
I can't say how much I love you in a song!
Because I will never, ever tell you
how much I love you!
(because I can't)

My guy who is...
Sweeter then sugar,
sweeter then honey,
sweeter then candy,
oh boy I love you so!

Boy, you know I can never tell you how much
I love you.
But maybe in a kiss you'll know!
(Repeat x2)
