

Lily Löwe, Bad Baby (Lily Lowe)

Red, red, baby (Oh-ooh)
It's so red, so red
Bad, bad baby (Oh-ooh)
You're bad, bad baby for love

The sirens loud in my head
You looked at me and the lights turned red
About to crucify me
'Cause we all know, you made me bleed

Red, red, baby (Oh-ooh)
It's so red, so red
Bad, bad baby (Oh-ooh)
You're bad, bad baby for love

And so the story ends
You are here to make amends
Emotions killing me
All of the blood, can't you see?

Red, red, baby (Oh-ooh)
It's so red, so red
Bad, bad baby (Oh-ooh)
You're bad, bad baby for love

Bad, bad baby for love

Lookin' at your face
I know that I won't be the same (Be the same)
Feel the cut deep inside
And I know now

Red, red, baby (Oh-ooh)
It's so red, so red
Bad, bad baby (Oh-ooh)
You're bad, bad baby for love

Bad, bad baby (Oh-ooh)
Bad, bad baby for love
Bad, bad baby (Oh-ooh)
Bad, bad baby for love
