Limp Bizkit, Now I Know Why You Wanna Hate M

All the tension in the world today

All the little girls fillin up the world today

With the good comes the bad the bad comes the good

But im gonna live a life like I should (like I should)

Now all the critics wanna hit it

To shit-can how we did it

just Because they dont get it

But III stay fitted

new era I committed

Now this red cap

Gets a wrap from his critics

Do we always gotta cry? (gotta cry)

Do we always gotta live inside a lie (inside a lie)

Life's just a blast

When it's Movin really fast

Better stay on top of life

or life will kick you in the ass

Follow me into a solo

Remember that, kid

So what you wanna do?

and where you gonna run

When your starin down the cable

of a mic pointed at your grill like a gun

Limp Bizkit is rockin the set

Its like Russian Roulette

When your placin' your bet

So dont be upset

when you're broke

And you're done

Cuz im gonna be the one

'till I jet

I know why you wanna hate me

I know why you wanna hate me

I know why you wanna hate me

Cuz hate is all that the world has even seen lately

now I know why you wanna hate me (x4)

Does anybody really know the secret

Or the combination for this life and where to keep it

Its kinda sad when you dont know the meaning

But everything happens for a reason (for a reason)

I dont even know what I should say

Cuz im an idiot, a loser, microphone abuser

I analyze every second I exist

Beating on my mind every second with my fish

Everybody wanna run (wanna run)

Everybody wanna hide from the gun (hide from the gun)

You can take this rap through this life if you want

But you can't take the edge off the knife (no sir)

And now you want your money back (money back)

But your denied cuz your brains fried from the sack

And there aint nothing I can do

Cuz life is a lesson you learn it when your through

I know why you wanna hate me

I know why you wanna hate me

I know why you wanna hate me

Cuz hate is all the world has even seen lately(x4)

(Now I know why..) x4

Now I know why you wanna hate me (x2)

Cuz hate is all the world has even seen lately(x2)
