

Linkin Park, Bleed It Out (Timbaland Remix)

Timbaland:

Wat's Up

Everybody, This is what I do

Come on, Come on, Come on, Come on, Come on

Put Em Up Y'all

B-B-Bleed It Out

Put Em Up Y'all

B-B-Bleed It Out

Linkin Park:

Wat's Up

Check This Out

Yeah here we go for the hundredth time

Hand grenade pins in every line

Throw 'em up and let something shine

Going out of my fucking mind

Filthy mouth, no excuse

Find a new place to hang this noose

String me up from atop these roofs

Knot it tight so i won't get loose

Truth is you can stop and stare

Bled myself out and no one cares

Dug the trench out laid down there

With a shovel up out of reach somewhere

Yeah, someone pour it in

Make it a dirt dance floor again

Say your prayers and stomp it out

When they bring that chorus in

(Chorus)

I bleed it out digging deeper

Just to throw it away

I bleed it out digging deeper

Just to throw it away

I bleed it out digging deeper

Just to throw it away

Just to throw it away

Just to throw it away

I bleed it out

(End Chorus)

Go stop the show

Choppy words and a sloppy flow

Shotgun opera lock and load

Cock it back and then watch it go

Mama help me I've been cursed

Death is rolling in every verse

Candy paint on his brand new hearse

Can't contain him he knows he works

Fuck this hurts, I won't lie
Doesn't matter how hard I try

Half the words don't mean a thing
And I know that I won't be satisfied

So why try ignoring him
Make it a dirt dance floor again

Say your prayers and stomp it out
When they bring that chorus in

(Chorus)
I bleed it out digging deeper
Just to throw it away

I bleed it out digging deeper
Just to throw it away

I bleed it out digging deeper
Just to throw it away

Just to throw it away
Just to throw it away

I bleed it out

I've opened up these scars
I'll make you face this

I've pulled myself so far
I'll make you, face, this, now!!!!

Put em up like this
We need to hear you
You Guys Wanna sing with us?
Chester, take them!

(Chorus)
I bleed it out digging deeper
Just to throw it away

I bleed it out digging deeper
Just to throw it away

I bleed it out digging deeper
Just to throw it away

Just to throw it away
Just to throw it away

I bleed it out digging deeper
Just to throw it away

I bleed it out digging deeper
Just to throw it away

I bleed it out digging deeper
Just to throw it away

Just to throw it away
Just to throw it away

I bleed it out

I bleed it out
I bleed it out
