

Linkin Park, Did she ever loved me

Chester:

I love her!

I love her!

I love her!

Everybody know that!

Sometimes the music is part of me

And it plays when it is in

Sometimes the music has part of me

And it is keeping me up all night!

Mike:

You love her, you need her

You trust her, she betrayed you

She hate you, she trick you

You lied to her and she lied to you.

You lied to her and she lied to you.

You lied to her and she lied to you.

Lied to youMarija

Joe:

Can't you see, she never loved you?Slavisha?

Chester:

Sometimes when music starts playing into my sad world

I try to figure out something, something but, but it

Keeping me confusing

I cannot stand your fucking personality

I no wanna be your enemy

But you left me nothing but that.

And that's why I keep on wondering: Did she ever, did she ever loved me?.
