## Linkin Park, Easier To Run

It's easier to run Replacing this pain with something numb It's so much easier to go Than face all this pain here all alone

Something has been taken from deep inside of me The secret I've kept locked away no one can ever see Wounds so deep they never show they never go away Like moving pictures in my head for years and years they've played

(If I could change I would take back the pain I would) (Retrace every wrong move that I made I would) (If I could stand up and take the blame I would) (If I could take all the shame to the grave I would) (If I could change I would take back the pain I would) (Retrace every wrong move that I made I would) (If I could stand up and take the blame I would) (If I would take all my shame to the grave)

[Chorus] It's easier to run Replacing this pain with something numb It's so much easier to go Than face all this pain here all alone

Sometimes I remember the darkness of my past Bringing back these memories I wish I didn't have Sometimes I think of letting go and never looking back And never moving forward so there'd never be a past

(If I could change I would take back the pain I would) (Retrace every wrong move that I made I would) (If I could stand up and take the blame I would) (If I could take all the shame to the grave I would) (If I could change I would take back the pain I would) (Retrace every wrong move that I made I would) (If I could stand up and take the blame I would) (If I could take all my shame to the grave)

Just washing it aside All of the helplessness inside Pretending I don't feel misplaced It's so much simpler than change

[Chorus] It's easier to run Replacing this pain with something numb It's so much easier to go Than face all this pain here all alone

It's easier to run (If I could change I would take back the pain I would) (Retrace every wrong move that I made) It's easier to go (If I could change I would take back the pain I would) (Retrace every wrong move that I made I would) (If I could stand up and take the blame I would) (If would take all my shame to the grave)
