## Linkin Park, Final Masquerade

Tearing me apart with words you wouldn't say And suddenly tomorrow's a moment washed away 'Cause I don't have a reason and you don't have the time But we both keep on waiting for something we won't find

The light on the horizon was brighter yesterday With shadows floating over, the scars begin to fade We said it was forever but then it slipped away Standing at the end of the final masquerade The final masquerade

All I ever wanted, the secrets that you keep All you ever wanted, the truth I couldn't speak 'Cause I can't see forgiveness, and you can't see the crime And we both keep on waiting for what we left behind

The light on the horizon was brighter yesterday With shadows floating over, the scars begin to fade We said it was forever but then it slipped away Standing at the end of the final masquerade

The final masquerade The final masquerade Standing at the end of the final masquerade

The light on the horizon was brighter yesterday With shadows floating over, the scars begin to fade We said it was forever but then it slipped away Standing at the end of the final masquerade

Oooh ooOOOooh Standing at the end of the final masquerade (oooh) Standing at the end of the final masquerade Final masquerade (oooh)
