

# Linkin Park, Hardly breathe

[Hydroponikz]:

I can't seem to focus, it's hopeless unless the sky opens  
Look you in the eyes and all I see is a blur hoping  
That my previous mindstate, could be resurrected  
To the old me; it's like you had me injected with imperfection  
How could you be so reckless? I initially meant it  
Seems like you put your effort into me, what am I left with?  
Nothin' but a canvas with a black and white portrait  
Of me and you, in a burnin' garden of scorchin' orchards  
Simple beauty that's been torn down by your power  
That constantly pounds on my soul hour after hour  
Now I can hardly breathe, get rid of these memories  
Continually haunting me, can't change who I've come to be  
The darkness only ends as soon as you open your eyes  
And you hope to realize that hope is cloaked in disguise  
Again I look you in the eyes and all I see is a blur  
But when I look in the mirror I can see who you were

[Chester Bennington (Linkin Park)]:

Nothing I can say or do  
Will take away what I've been through  
What you were is what I've come to be  
Nothing you can say to me  
Will take away these memories  
What you were is what I've come to be.

The sky opens wide, to swallow me again,  
Once I am inside, I'm lost and can't pretend  
These pictures in my mind, are not a part of me  
These memories hold me tight, til I can hardly breathe

(breathe, breathe, breathe, breathe, breathe)  
I can hardly breathe (breathe, breathe, breathe, breathe, breathe)  
I can hardly stop the memories (ha ha ha ha oh-yea)

Nothing I can say or do  
Will take away what I've been through  
What you were is what I've come to be  
Nothing you can say to me  
Will take away these memories  
What you were is what I've come to be.

[Hydroponikz]:

Hardly breathe  
Memories  
Haunting me  
Come to be  
(x2)

Now I can hardly breathe  
Get rid of these memories  
Continually haunting me  
Can't change who I've come to be  
(x2)

[(Chester) / Hydroponikz]:

[(I can hardly breathe.....)  
Now I can hardly breathe  
Get rid of these memories  
Continually haunting me  
Can't change who I've come to be (x2)]  
(I can hardly stop the memories..)  
Now I can hardly breathe  
Change who I've come to be

Nothing I can say or do  
Will take away what I've been through  
What you were is what I've come to be  
Nothing you can say to me  
Will take away these memories  
What you were is what I've come to be.
