

Linkin Park, Heartless

Little impotent minds,
You promised me hope,
you promised me piece of mind,
now I'm all alone crying some tears,
that I wouldn't even think that could eva appear,
and now I'm all alone in the darkness full of minds,
that only tease, and never think of the pain thats inside...
All alone I'm heartless,
with you I had a soul,
I cry my tears and now I'm
leaving you alone...
alone...
I gave you everything I owned
I gave you life when you promised to disown,
lies, diceets, all that I thought I knew
I punched you
a debt that I'll never forget
all emcees know it
but why don't you bitch
why don't you
on the mountops I'm working hard
to show you that i'm a man with some arms
arms
arms
WHY! WHY! I PROMISED! WHY!
