

# Linkin Park, In Between

Let me apologize to begin with  
Let me apologize for what I'm about to say  
But trying to be genuine was harder than it seemed  
And somehow I got caught up in between

Let me apologize to begin with  
Let me apologize for what I'm about to say  
But trying to be someone else was harder than it seemed  
And somehow I got caught up in between

Between my pride and my promise  
Between my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is none

Let me apologize to begin with  
Let me apologize for what I'm about to say  
But trying to regain your trust was harder than it seemed  
And somehow I got caught up in between

Between my pride and my promise  
Between my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is none  
The only thing that's worse than one is none

And I cannot explain to you  
In anything I say or do or plan  
Fear is not afraid of you  
But guilt's a language you can understand  
I cannot explain to you  
In anything I say or do  
But hope the actions speak the words they can

For my pride and my promise  
For my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is...

Pride and my promise  
Between my lies and how the truth gets in the way  
The things I want to say to you get lost before they come  
The only thing that's worse than one is none  
The only thing that's worse than one is none  
The only thing that's worse than one is none
