

Linkin Park, In My Remains

Separate, sifting through the wreckage
I can't concentrate, searching for a message
In the fear and pain, broken down and waiting
For the chance to feel alive

Now in my remains
Are promises that never came
Set the silence free
To wash away the worst of me

Come apart, falling in the cracks
Of every broken heart, digging through the wreckage
Of your disregard, sinking down and waiting
For the chance, to feel alive

Now in my remains
Are promises that never came
Set the silence free
To wash away the worst of me

Like an army, falling
One by one by one
Like an army, falling
One by one by one
Like an army, falling
One by one by one
Like an army, falling
One by one by one

Now in my remains
Are promises that never came
Set the silence free
To wash away the worst of me

Like an army, falling
One by one by one
Like an army, falling
One by one by one
