

# Linkin Park, Losing grip

R u aware of what u make me feel  
Baby  
Right now i feel invisible to u  
Like im not real  
Didnt u feel me lock my arms around u  
Why'd u turn away  
Heres what i have to say  
I was left to cry there  
Waiting outside there  
Burning with a lost stare  
Thats when i decided  
Why should i care  
Cuz u werent there when i was scared  
I was so alone  
U, ya need to listen  
Im starting to trip  
Im losing my grip  
And im in this thing alone  
Am i just some chic u placed beside u  
To take somebody's place  
When u turn around  
Can u reconize my face  
U used to love me  
U used to hug me  
But that wasnt the case  
Everything wasnt ok  
I was left to cry there  
Waiting outside there  
Burning with a lost stare  
Thats when i decided  
Why should i care  
Cuz u werent there when i was scared  
I was so alone  
U, ya need to listen  
Im starting to trip  
Im losing my grip  
And im in this thing alone  
Crying out loud  
Im crying out loud  
Crying out loud  
Im crying out loud  
Open ur eyes  
Open up wide  
Why should i care  
Cuz u werent there  
When i was scared  
I was so alone  
Why should i care  
Cuz u werent there  
When i was scared  
I was so alone  
Why should i care  
If u don't care  
Then i dont care  
We're not going anywhere
