

# Linkin Park, Lost

Just a scar somewhere down inside of me  
Something I can not repair  
Even though it will always be  
I pretend it isn't there This is how it feel  
I'm trapped in yesterday This is how it will be  
Where the pain is all I know This is all I know

And I'll never break away Can't break free  
'Cause when I'm alone

I'm lost in these memories  
Living behind my own illusion  
Lost all my dignity  
Living inside my own confusion

But I'm tired  
I will always be afraid  
Of the damage I've received  
Broken promises they made  
And how blindly I believed This is all I know

And I'll never break away Can't break free  
'Cause when I'm alone

I'm lost in these memories  
Living behind my own illusion  
Lost all my dignity  
Living inside my own confusion

I try to keep this pain inside  
But I will never be alright  
I try to keep this pain inside  
But I will never be alright  
I try to keep this pain inside I'm lost  
But I will never be alright  
I try to keep this pain inside I'm lost  
But I will never be alright

I'm lost in these memories  
Living behind my own illusion  
Lost all my dignity  
Living inside my own confusion
