

# Linkin Park, Nobody's Listening

Yo, peep the style and the kids checking for it  
The number one question is how could you ignore it  
And drop right back in the cut over basement tracks  
Rap stack got you back in the sub black  
(Rewind that) we just rolling with the rhythm  
Rise from the ashes of stylist division  
With these non-stop lyrics of life living  
Not to be forgotten but still unforgiving  
But in the meantime there are those who wanna talk this and that  
So I suppose that it gets to a point where feelings gotta get hurt  
And get dirty with the people spreading the dirt it goes

(Tried to give you warning but everyone ignores me)  
Told you everything loud and clear  
(But nobody's listening)  
(Called to you so clearly but you don't want to hear me)  
Told you everything loud and clear  
(But nobody's listening)

I got a heart full of pain, head full of stress  
Handful of anger, held in my chest  
And everything left's a waste of time  
I hate my rhymes, but hate everyone else's more  
I'm riding on the back of this pressure  
Guessing that it's better I can't keep myself together  
Because all of this stress gave me something to write on  
The pain gave me something I could set my sights on  
Never forget the blood sweat and tears  
The uphill struggle over years the fear and  
Trash talking and the people it was to  
And the people that started it just like you

(Tried to give you warning but everyone ignores me)  
Told you everything loud and clear  
(But nobody's listening)  
(Called to you so clearly but you don't want to hear me)  
Told you everything loud and clear  
(But nobody's listening)

I got a heart full of pain, head full of stress  
Handful of anger, held in my chest  
Uphill struggle  
Blood sweat n tears  
Nothing to gain  
Everything to fear

Heart full of pain, head full of stress  
Handful of anger, held in my chest  
Uphill struggle  
Blood sweat 'n' tears  
Nothing to gain  
Everything to fear

Heart full of pain

(Tried to give you warning but everyone ignores me)  
Told you everything loud and clear  
(But nobody's listening)  
(Called to you so clearly but you don't want to hear me)  
Told you everything loud and clear  
(But nobody's listening)

I got a heart full of pain, head full of stress  
(Nobody's listening)

Handful of anger, held in my chest  
(Nobody's listening)  
Uphill struggle  
Blood sweat 'n' tears  
(Nobody's listening)  
Nothing to gain  
Everything to fear  
(Nobody's listening)

Scratching Conclusion (Cu-coming at you from every side)
