

# Linkin Park, Nobody's Listening

Coming at you

Yo, peep the style and the kids checking for it  
The number one question is how could you ignore it  
We drop right back in the cut over basement tracks  
With raps that got you backing this up like rewind that

We're just rolling with the rhythm  
Rise from the ashes of stylistic division  
With these non-stop lyrics of life living  
Not to be forgotten but still unforgiven

But in the meantime there are those  
Who wanna talk this and that  
So I suppose  
That it gets to a point where feelings gotta get hurt  
And get dirty with the people spreading the dirt

It goes

(Try to give you warning  
But everyone ignores me)  
Told you everything loud and clear  
(But nobody's listening)  
(Call to you so clearly)  
(But you don't want to hear me)  
Told you everything loud and clear  
(But nobody's listening)

I got a heart full of pain, head full of stress  
Handful of anger held in my chest  
And everything left's a waste of time  
I hate my rhymes, but hate everyone else's more

I'm riding on the back of this pressure  
Guessing that it's better I can't keep myself together  
Because all of this stress gave me something to write on  
The pain gave me something I could set my sights on

You never forget the blood sweat and tears  
The up-hill struggle over years the fear and  
Trash talking and the people it was to  
And the people that started it just like you

(Try to give you warning  
But everyone ignores me)  
Told you everything loud and clear  
(But nobody's listening)  
(Call to you so clearly)  
(But you don't want to hear me)  
Told you everything loud and clear  
(But nobody's listening)

I got a heart full of pain, head full of stress  
Handful of anger held in my chest  
Up-hill struggle  
Blood sweat and tears  
Nothing to gain  
Everything to fear  
[2x]

Heart full of pain [3x]

(Try to give you warning

But everyone ignores me)  
Told you everything loud and clear  
(But nobody's listening)  
(Call to you so clearly)  
(But you don't want to hear me)  
Told you everything loud and clear  
(But nobody's listening)

I got a heart full of pain, head full of stress  
(Nobody's listening)  
Handful of anger held in my chest  
(Nobody's listening)  
Up-hill struggle  
Blood sweat and tears  
(Nobody's listening)  
Nothing to gain  
Everything to fear  
(Nobody's listening)

Coming at you from every side
