Linkin Park, One Step Closer (Live Version)

"Thank you guys very much This is our last song

If you guys want to rock with Linkin Park This is your last chance

Let's go

Let's go Up, up, up Get up go!"

Shut up!

I cannot take this anymore Saying everything I said before All these words they make no sense I found bliss in ignorance Less I hear the less you say You'll find that out anyway

"Just like before"

Everything you say to me (Takes me One Step Closer to the edge) And I'm about to break

I need a little room to breathe (One Step Closer to the edge) I'm about to break

I find the answers aren't so clear "I can't hear you" Wish I could find a way to disappear "That's right Y'all"

All these thoughts they make no sense I found bliss in ignorance Nothing seems to go away Over and over again

"Just like before"

Everything you say to me (Takes me One Step Closer to the edge) And I'm about to break

I need a little room to breathe (One Step Closer to the edge) And I'm about to break

Everything you say to me (Takes me One Step Closer to the edge) And I'm about to break

I need a little room to breathe (One Step Closer to the edge)

And I'm about to... Break...Break...Break...

These are the places that I can't feel Torn from my body my flesh it peels During this ride we can cut up what we like Waiting alone I cannot resist Feeling this hate I have never missed Please someone give me a reason to peel off my face

Blood is pouring

"Dallas, are you ready?"

Blood is pouring

"This is it, this is your last chance"

Blood is pouring

"We need to hear everybody in here"

Blood is pouring

"So let's go"

Shut up when I'm talking to you!

Shut up!

"Come on now sing it"

Shut up!

"Blood is pouring"

Shut up!

"Blood is pouring"

"I can't hear you"

Shut up when I'm talking to you!

Shut up!

"Blood is pouring"

"A little louder"

Shut up!

"Blood is pouring"

Shut up!

"Blood is pouring"

Shut up!

I'm about to break!

Everything you say to me (Takes me One Step Closer to the edge) And I'm about to break

I need a little room to breathe (One Step Closer to the edge) And I'm about to break Everything you say to me (Takes me One Step Closer to the edge) And I'm about to break

I need a little room to breathe (One Step Closer to the edge)

And I'm about to...

"Everybody"

"Break"

"Thank you very much You guys were f***ing amazing today thank you"
