Linkin Park, Pushing Me Away (Live Version)

"How many musicians do we have in the house?
Good luck to every one of you guys man

We were on the other side of the barricade
A few years ago man
Coming to these shows
Seeing our favorite bands
And having the dreams

Just perservere, believe in yourselves
One day you'll be up here with us
Or [[Metallica]]
Or [[Limp Bizkit]]
[[Deftones]]
[[Mudvayne]]

This one's dedicated to all you guys out there"

When I look into your eyes
there's nothing there to see
nothing but my own mistakes
staring back at me

(Backwards) x2
Everything falls apart,
Even the people who never frown eventually break down
Everything has to end, you'll soon find
We're out of time left to watch it all unwind

I've lied to you....(echo)
This is the last smile,
That I'll fake for the sake of being with you.

Everything falls apart,
Even the people who never frown eventually break down
Everything has to end, you'll soon find
(For the sake of being with you)
We're out of time left to watch it all unwind

Everything falls apart,
Even the people who never frown eventually break down
The sacrifice is never knowing...

Why I stay
When you just push away
No matter what you see
You're still so blind to me

I've tried, like you,
To do everything you wanted to.
This is the last time,
I'll take the blame for the sake of being with you.

Everything falls apart,
Even the people who never frown eventually break down
(The sacrifice of hiding in a lie)
Everything has to end, you'll soon find
We're out of time left to watch it all unwind
The sacrifice is never knowing...

Why I stay
When you just push away
No matter what you see
You're still so blind to me

Reverse psychology, failing miserably
It's so hard to be left all alone
Telling you is the only chance for me
There's nothing left but to turn and face you

When I look into your eyes
There's nothing there to see
Nothing but my own mistakes
Staring back at me
Asking why...

The sacrifice of hiding in a lie
The sacrifice is never knowing

Why I stay
When you just push away
No matter what you see
You're still so blind to me (x2)

"Thank you"
