

Linkin Park, Riff Raff

Next message

Hey, Mike, whats up?

This is Ron, Riff Raff, just asking you whats happening?

I was just touching base, seeing how your Easter went

Um, just seeing if youre going to see Joe sometime soon, too,

Because hes got my keyboard that Ive been trying to get back

Ive been trying to call him and he hasnt been returning any messages

So Im seeing what the best angle is to, you know, get it back
