

Linkin Park, Skin To Bone

Skin to bone, steel to rust
Ash to ashes, dust to dust
Let tomorrow have it's way
With the promises we made
Skin to bone, steel to rust
Ash to ashes, dust to dust
Your deception, my disgust
When your name is finally drawn
I'll be happy that you're gone
Ash to ashes dust to dust

Uh-uh-uh
Ash to ashes, dust to dust
Uh-uh-uh
Skin to bone and steel to rust

Right to left left to right
Night to day and day to night
As the skylight fades to gray
I'll be watching far away
Right to left and left to right

Uh-uh-uh
Ash to ashes, dust to dust
Uh-uh-uh
Skin to bone and steel to rust

Let tomorrow have it's way
With the promises betrayed
Skin to bone and steel to rust
Skin to bone and steel to rust
Skin to bone and steel to rust
