

# Linkin Park, Somewhere I Belong

(When this began)  
I had nothing to say  
And I get lost in the nothingness inside of me  
(I was confused)  
And I let it all out to find  
That I'm not the only person with these things in mind

(Inside of me)  
But all the vacancy the words revealed  
Is the only real thing that I've got left to feel  
(Nothing to lose)  
Just stuck, hollow and alone  
And the fault is my own, and the fault is my own

I wanna heal, I wanna feel  
What I thought was never real  
I wanna let go of the pain  
I've felt so long  
(Erase all the pain till its gone)

I wanna heal, I wanna feel  
Like I'm close to something real  
I wanna find something I wanted all along  
Somewhere I belong

And I've got nothing to say  
I can't believe I didn't fall right down on my face  
(I was confused)  
Looking everywhere only to find  
That its not the way I had imagined it all in my mind

(So what am I)  
What do I have but negativity  
Cause I can't justify the way everyone is looking at me  
(Nothing to lose)  
Nothing to gain, hollow and alone  
And the fault is my own, and the fault is my own

I wanna heal, I wanna feel  
What I thought was never real  
I wanna let go of the pain  
I've felt so long  
(Erase all the pain till its gone)

I wanna heal, I wanna feel  
Like I'm close to something real  
I wanna find something I wanted all along  
Somewhere I belong

I will never know  
Myself until I do this on my own  
And I will never feel  
Anything else until my wounds are healed

I will never be  
Anything till I break away from me  
I will break away  
I'll find myself today

I wanna heal, I wanna feel  
What I thought was never real  
I wanna let go of the pain  
I've felt so long  
(Erase all the pain till its gone)

I wanna heal, I wanna feel  
Like I'm close to something real  
I wanna find something I wanted all along  
Somewhere I belong

I wanna heal, I wanna feel  
Like I'm somewhere I belong  
I wanna heal, I wanna feel  
Like I'm somewhere I belong  
Somewhere I belong
