

# Linkin Park, Until It's Gone

A fire needs a space to burn  
A breath to build a glow  
I've heard it said a thousand times  
But now I know

That you don't know what you've got  
Oh you don't know what you've got  
No you don't know what you've got  
Until it's gone

I thought I kept you safe and sound  
I thought I made you strong  
But something made me realize  
That I was wrong

'Cause finding what you got sometimes  
Means finding it alone  
And I can finally see your light  
When I let go

'Cause you don't know what you've got  
Until it's gone  
'Til it's gone...

'Cause you don't know what you've got  
Oh you don't know what you've got  
No you don't know what you've got  
It's your battle to be fought  
No you don't know what you've got  
'Til it's gone
