Linkin Park, Until It's Gone

A fire needs a space to burn A breath to build a glow I've heard it said a thousand times But now I know

That you don't know what you've got Oh you don't know what you've got No you don't know what you've got Until it's gone

I thought I kept you safe and sound I thought I made you strong But something made me realize That I was wrong

'Cause finding what you got sometimes Means finding it alone And I can finally see your light When I let go

'Cause you don't know what you've got Until it's gone 'Til it's gone...

'Cause you don't know what you've got Oh you don't know what you've got No you don't know what you've got It's your battle to be fought No you don't know what you've got 'Til it's gone
