

Lisa Ekdahl, When Did You Leave Heaven

When did you leave heaven
How do you let you go
How is ev'rything in heaven
I want to know
When did you leave heaven
For all these earthly things
What did you do with your halo
Where did you leave your wings
Haw
Haw they miss you
Can you get back in
And if I
If I Should kissed you
Would it be a sin
Cose I am only human
But you're so divine
When did you leave heaven
Angel of mine
Haw
Haw they miss you
Can you get back in
And if I
If I Should kissed you
Would it be a sin
I am only human
But you're so divine
When did you leave heaven
Angel of mine
