## Lisa Lavie, Save your breath

Save Your Breath, I know the story. Ive heard it all before. Go read the letters that I wrote you, they Sitting here patiently thinking I have to let you go. I already know what youre going to say. Ive hear Save your Breath, as you can see, theres no more fooling me, Nooo.

I stayed up thinking late last night, till I saw the morning light, I was

Sitting here patiently thinking I have to let you go. I already know what youre going to say. Ive hear I wanted to spend the rest of time with you but now were through. Why do you say that you love monositting here patiently thinking I have to let you go. I already know what youre going to say. Ive hear Why I tried to be by your side? You just denied. I know what youre going to say, yeah. Ohhh
