

Lisa Stansfield, Sweet Memories

(L. Stansfield/ I. Devaney)

Chorus:

Sweet memories of the love you gave me

Send me reeling into ecstasy

Sweet memories of the love you gave me

Send me crying to my room

And I don't wanna miss you

But I do

No I don't wanna miss you

But I do

The weather changes

Like life changes

Like me and you have changed

It's all about nothing to talk about

Then you're washed up in the rain

I wonder why

I let love die

Just let you slip away

I cry and cry myself to sleep at night

Mm baby baby

I'm never gonna hear the last

About how stupid I was

I'm never gonna rest until I have you

Back in my arms

Chorus

I've tried to smile

I can't 'cos I'm

Feeling sorry for myself

And I can't hide

What I feel inside

And babe it hurts like hell

I'm never gonna hear the last

About how stupid I was

I'm never gonna rest until I have you

Back in my arms

Chorus

No space or time could take me away from you

Not ever no no no not never

Ain't nothin' or no-one can split us in two

Not ever not never no no

Sweet memories of the love you gave me

Sweet memories of the love you gave me

And I don't wanna miss you

But I do

No I don't wanna miss you

But I do
