

Lit, Addicted

She calls me up
says she's coming over
so I run home (ooh hoo)
just to wait around
sh. sh. sh. she calls me names
then we play some mind games
and I don't know (ooh hoo)
but I think I like it
now she's the only one who blocks my number and
she's the only one I call

Yeah, oh yeah
whats wrong with me
Yeah, oh yeah
why can't I see
Yeah, oh yeah
I'm so addicted to you
and you're such a dick to me

She flies me out
got a big surprise planned
in chicago (ooh hoo)
thats my kind of town

she says shes been a hoe
had to let me know
on the jerry springer show

Yeah, oh yeah
whats wrong with me
Yeah, oh yeah
why can't I see
Yeah, oh yeah
I'm so addicted to you
and you're such a dick to me

I wrapped myself around her little finger and
she gives me the middle one

Yeah, oh yeah
whats wrong with me
Yeah, oh yeah
why can't I see
Yeah, oh yeah
I'm so addicted to you
and you're such a dick to me

She calls and I come running back
I call she never calls me back
what's wrong with me
I'm so addicted to you
you're such a dick to me
