

Little Big Town, Girl Crush

I got a girl crush
Hate to admit it but,
I got a hard rush
It's slowing down
I got it real bad
Want everything she has
That smile and that midnight laugh
She's giving you now

I want to taste her lips
Yeah, 'cause they taste like you
I want to drown myself
In a bottle of her perfume
I want her long blonde hair
I want her magic touch
Yeah, 'cause maybe then
You'd want me just as much
I got a girl crush
I got a girl crush

I don't get no sleep
I don't get no peace
Thinking about her
Under your bed sheets
The way that she's whispering
The way that she's pulling you in
Lord knows I've tried,
I can't get her off my mind

I want to taste her lips
Yeah, 'cause they taste like you
I want to drown myself
In a bottle of her perfume
I want her long blonde hair
I want her magic touch
Yeah, 'cause maybe then
You'd want me just as much
I got a girl crush
I got a girl crush
Hate to admit it but
I got a hard rush,
It ain't slowing down.
