

Little Big x Netta, Moustache

I like women with the big big bass
Big, blue eyes
And the hair on the face
I like women full of grace
Big MOUSTACHE
Some creame on the face

Too many, to omany, too many
Lies
Too many, to omany, too many
Give me more
Too many, to omany, too many
Lies
Too many, to omany, too many
Give me more

[Netta]
And know you like me
Don;t be too shy
Come on closer
And close your eyes
No tiko-tiko
Sex in the sky

I know, I know you like my MOUSTACHE
I know, I know you like my MOUSTACHE
I know, I know you like my MOUSTACHE
I know, I know you like my MOUSTACHE

I like women with the big big bass
Big, blue eyes
And the hair on the face
I like women on a tap tap

...
Lilipoop

Too many, to omany, too many
Lies
Too many, to omany, too many
Give me more
Too many, to omany, too many
Lies
Too many, to omany, too many
Give me more

[Netta]
And know you like me
Don;t be too shy
Come on closer
And close your eyes
No tiko-tiko
Sex in the sky

I know, I know you like my MOUSTACHE
I know, I know you like my MOUSTACHE
I know, I know you like my MOUSTACHE
I know, I know you like my MOUSTACHE
