

Little Mix, Dark Horse

Jade

(I knew you were)

Leigh-anne

You were gonna come to me

Jade

(And here you are)

Leigh-anne

But you better choose carefully

Jade

('Cause I am)

Leigh-anne

capable of anything

Of anything and everything

Jade

Make me your Aphrodite

Make me your one and only

but don't make me your enemy, your enemy, your enemy

Jesy

So you wanna play with magic?

Boy, you should know what you're falling for

Baby do you dare to do this?

'Cause I'm coming atcha like a dark horse

All

Are you ready for, ready for

A perfect storm, perfect storm

'Cause once you're mine, once you're mine

There's no going back

Jade

(Mark my words)

Jesy

This love will make you levitate

Jade

(Like a bird)

Jesy

Like a bird without a cage

But down to earth

If you choose to walk away, don't walk away

Perrie

It's in the palm of your hand now (baby)

It's a yes or no, no (maybe)

(So just be sure) before you give it all to me

All to me, give it all to me

Perrie

So you wanna play with magic?

Boy, you should know what you're falling for

Baby do you dare to do this?

'Cause I'm coming atcha like a dark horse

All

Are you ready for, ready for

A perfect storm, perfect storm

Cause once you're mine, once you're mine

There's no going back

So you wanna play with magic?
Boy, you should know what you're falling for
Baby do you dare to do this?
'Cause I'm coming atcha like a dark horse
Are you ready for, ready for
A perfect storm, perfect storm
Cause once you're mine, once you're mine
There's no going back
