

Little Mix, E.T.

[All]

You're an alien

[Jade]

You're so hypnotizing
Could you be the devil?
Could you be an angel?

[All]

Different DNA
They don't understand you

[Perrie]

You're from a whole 'nother world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light

[All]

Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, take me
Wanna be a victim
Ready for abduction

Boy, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial

They say .. be your friends

[Perrie]

You're from a whole 'nother world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light

[Chorus] [All]

Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, take me
Wanna be a victim
Ready for abduction

Boy, you're an alien
Your touch so foreign
It's supernatural
Extraterrestrial
