Little Mix, E.T.

[All] You're an alien

[Jade] You're so hypnotizing Could you be the devil? Could you be an angel?

[All]
Different DNA
They don't understand you

[Perrie]
You're from a whole 'nother world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light

[All]
Kiss me, kiss me
Infect me with your love and
Fill me with your poison

Take me, take me Wanna be a victim Ready for abduction

Boy, you're an alien Your touch so foreign It's supernatural Extraterrestrial

They say .. be your friends

[Perrie]
You're from a whole 'nother world
A different dimension
You open my eyes
And I'm ready to go
Lead me into the light

[Chorus] [All] Kiss me, kiss me Infect me with your love and Fill me with your poison

Take me, take me Wanna be a victim Ready for abduction

Boy, you're an alien Your touch so foreign It's supernatural Extraterrestrial
