

# Little Mix, Going Nowhere

[Leigh-Anne]

1) Sick of you playing on that Xbox thing  
You're never gonna get me with a diamond ring  
Look at you so confused, no you don't have a clue  
I bet you think you've got me good

[Jade]

So tell me when's the last time you changed that shirt?  
Instead of sittin' here you should be going to work  
Like I do, but you, you're don't and it's not cool  
Time for me to move on, nothing I can do so

[All]

Ref.: Leave, you're not the boy you said you'd be  
And it's so hard for me to breathe  
How can I love you boy  
If you're going nowhere, we're going nowhere  
Bye, don't have the strength to see you cry  
I'm tired of asking myself why  
How can I love you boy  
If you're going nowhere, we're going nowhere

[Perrie]

2) How am I supposed to look at you like that  
When all you ever really do is hold me back  
No more, for sure, it's you who's at the door  
I think I should press delete

[Perrie & Jade]

And clear my history

[Jesy]

I got my ambitions yes I dream so big.  
While I'm ticking boxes you'll be counting sheep.  
So you, do you, and I'll be me.  
Time for me to move on, nothing left to see so

[All]

Ref.: Leave, you're not the boy you said you'd be  
And it's so hard for me to breathe  
How can I love you boy  
If you're going nowhere, we're going nowhere  
Bye, don't have the strength to see you cry.  
I'm tired of asking myself why  
How can I love you boy  
If you're going nowhere, we're going nowhere.

[Leigh-Anne]

I'm sick of dragging you up, all you do is pull me down.  
I wish you good luck, as of now now I ain't around.  
See I can recollect every other rainfall but I stayed  
You won't change, that's my only downfall.  
Rude boy boy pull your trousers up  
I ain't your bruv, huh, I deserve some respect  
Are you a man or a mouse? You don't provide or protect,  
Stay stuck in the mud, I'll be on to the next.

[All]

Leave, you're not the boy you said you'd be  
And it's so hard for me to breathe  
How can I love you boy  
If you're going nowhere, we're going nowhere.  
Bye, don't have the strength to see you cry  
I'm tired of asking myself why  
How can I love you boy

If you're going nowhere, we're going nowhere  
Bye  
Cry  
Why  
You're going nowhere, we're going nowhere
