

Little Mix, Monster In Me

[Verse 1: Jesy & Leigh-Anne]

Beautiful creatures, you and me
Every time that we touch, it's dangerous
This spark is more than chemistry
Beautiful liars, drowning deep
Every night we fight and it's hot like hell
But it feels like Heaven between the sheets

[Pre-Chorus: Leigh-Anne]

Every time we let go
I scream and I call for more

[Chorus: Perrie]

Touch me
Why don't we kill each other slowly?
What can I say? Baby, what can I do?
The monster in me loves the monster in you
Hold me
Squeeze a little tighter 'til we can't breathe
What can I say, baby, what can I do?
What can I say? Baby, what can I do?

[Post-Chorus: Jesy]

Monster in me, mmm, mmm, ayy, ayy
Loves the monster in you, mmm, mmm, ayy, ayy

[Verse 2: Jesy, Jade]

Beautiful killer, cut me deep
Just a single kiss and I'm in your spell
Boy, you go in like I never seen
Beautiful fire, love the heat, mmm
Every night we fight and it's hot like hell
But I love the way that you make me scream

[Pre-Chorus: Jade]

And every time I let go
I cry and I beg for more, more

[Chorus: Perrie & Jesy]

Touch me
Why don't we kill each other slowly?
What can I say? Baby, what can I do?
The monster in me loves the monster in you
Hold me
Squeeze a little tighter 'til we can't breathe (Can't breathe, baby)
What can I say? Baby, what can I do?
The monster in me loves the monster in you

[Post-Chorus: Jesy]

Monster in me, mmm, mmm, ayy, ayy
Loves the monster in you, mmm, mmm, ayy, ayy (Hey, yeah)

[Bridge: Leigh-Anne, Jade, (Jesy) & Perrie]

Every moment we spend
Turning from friends to enemies
And fighting to hold on to each other
Every second we fall to fire below
It's so beautiful
The hell that we both made for each other
(But it's all love and war)
Louder we roar
Crying for more
I know it's so wrong, but baby, just

[Chorus: Perrie & All]

Touch me

Why don't we kill each other slowly? Yeah

What can I say? Baby, what can I do? Oh

The monster in me loves the monster in you, babe

Hold me

Squeeze a little tighter 'til we can't breathe (I can't breathe)

What can I say? Oh, what can I do, baby?

The monster in me loves the monster in you

The monster in me, yeah

[Outro: Jesy, Perrie & All]

Wanting me, haunting you

Haunting me, haunting you

Oh, wanting me, haunting you, oh

Haunting me, haunting you

Ooh, wanting me, haunting you

Haunting me, haunting you

Ooh, wanting me, haunting you

Haunting me
