

# Little Mix, Touch

You and I and nobody else  
Feeling feelings I never felt  
The way you got me under your spell  
Don't you keep it all to yourself

So won't you take it, I feel like for the first time I am not faking  
Fingers on my buttons and now you're playing  
Master of anticipation  
Don't you keep it all to yourself

Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh

Just a touch of your love is enough  
To knock me off of my feet, all week  
Just a touch of your love (Hey!)  
Just a touch of your love (Hey!)

Photograph with no T-shirt on  
Why you making me wait so long? (Wait so long)  
I promise to keep this a secret, I'll never tell  
But don't you keep it all to yourself

So won't you take it, I feel like for the first time I am not faking  
Fingers on my buttons and now you're playing  
Master of anticipation  
Don't you keep it all to yourself (To yourself)

Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh

Just a touch of your love is enough  
To knock me off of my feet, all week  
Just a touch of your love (Hey!)  
Just a touch of your love (Hey!)

And now my whole week, my whole week is golden  
Can you see me glowing? That's how I feel  
And I'm not afraid to fade into emotions  
'Cause I know that this could be something real

Just a touch of your love is enough  
To knock me off of my feet all week  
Just a touch of your love, oh  
Just a touch of your love, oh  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love, oh  
Just a touch of your love, oh

Just a touch of your love is enough  
To knock me off of my feet, all week  
Just a touch of your love (Hey!)  
Just a touch of your love (Hey!)  
Just a touch of your love is enough  
To take control of my whole body  
Just a touch of your love (Hey!)  
Just a touch of your love (Hey!)  
Just a touch of your love
